An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Hodge on 10/18/06.

Cancel claim 25.

The following is an examiner's statement of reasons for allowance: Itagaki doesn't suggest the currently claimed flame retardant. Zama '732 (#4,8) does show such phosphates, but as stabilizers for halide polymers rather than flame retardants in polycarbonates. Claim 25 was identical to claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
